This historic getaway is just a short drive from the fluttering beaches of Costa Brava and a 40-minute train ride from the bustling metropolis of Barcelona.

---

## CAMIRAL GOLF & WELLNESS RESORT

No luxury is spared at the Camiral Golf & Wellness Resort. Guests will stay at the 5-star Hotel Camiral, a haven of tranquility featuring a sleek contemporary exterior contrasting with a richly textured and sumptuous interior offering luxury, comfort and tasteful elegance, all nestling in the foothills of the Pyrenees.

---

## STADIUM COURSE

Ranked number 1 in Spain and number 4 in Europe, this is a tough and challenging golfing masterpiece which is admired by golfers from all over the world.

---

## TOUR COURSE

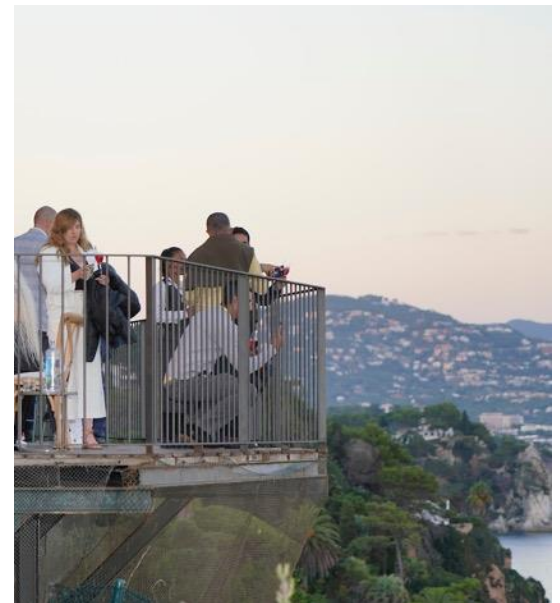

This course is equally beautiful to the Stadium Course, yet a little kinder than its older brother. The Tour course features pine trees, lakes and slightly wider fairways with strategically placed bunkers, making it a worthy challenge and a rising star of this world-leading resort.

---

## HEALTH & SAFETY PROTOCOLS

Your guest's safety and wellbeing are a top priority during the DCI Pro-Am Classic. # PRE-QUALIFYING TOURNAMENT ALTERNATIVES

---

DCI understands that Partners may need to adjust how pre-qualifying tournaments are traditionally managed, especially as these events usually take place in the first half of the year. Please be assured that there will be flexibility in the process and DCI is amenable to non-traditional formats / events in lieu of a pre-qualifying tournament to select amateur players to participate in the Pro-Am. Please also let the DCI Brand Marketing Team know if your team will be modifying your pre-qualifying events for our records.

Please note that amateur players selected to participate in the Pro-Am must have a maximum handicap of 24 for men and 30 for women.
